Dear OM:

At the last Council meeting plans were discussed to have a Mass meeting on April 10th. at which time Clark C. Rodiman, WISZ, Managing Editor of QST would speak - more of that later - it was pointed out that Rod will be in the City in the afternoon and tentative plans are now being made to have an informal "dutch treat" dinner for him before the meeting. In order to make more definite plans will you take the matter up at your next Club meeting and let the writer know how many of your gang plan to attend? It will be held at the Sherman and will probably cost about a dollar and a quarter. what say?

Untill later om 73s es sk.

W Warren Clark
